

OFFICE OF FELLOWSHIPS

UDALL SCHOLARSHIP - ENVIRONMENT CALL FOR APPLICATIONS

The Udall Scholarship provides up to \$7,000 for current sophomores and juniors* dedicated to careers related to the environment. Udall Scholars pursue careers across a range of areas such as conservation, environmental stewardship, and environmental policy.

BENEFITS

- Up to \$7,000 for educational expenses
- Participaiton in the Udall Scholar Orientation in Tucson, Arizona
- Membership in an active, national network of Udall Scholar Alumni

ELIGIBILITY

- U.S. Citizen, National, or permanent resident
- Current sophomore or junior* (*Students must have completed at least 3 semesters of college coursework after high school to be considered "sophomores" and be planning to graduate in Spring 2022 to be considered "juniors.")
- Strong record of involvement with campus or community service organizations related to the environment
- KU may nominate up to four students in the environment category

APPLICATION

Campus Deadline: January 7, 2021

To apply:

- Students should contact the Office of Fellowships to get access to the online application.
- For the campus stage, we do not need the application form or your transcript; we will access your KU advising report. If you have coursework not included on your KU record, you may submit that with the other materials.
- Three letters of reference should be submitted online: <http://www.fellowships.ku.edu/submit-campus-references>

The KU nominees will work with the Office of Fellowship to revise and update their application for the national competition. Resources including a sample application are available on the Office of Fellowships Microsoft Team (code i0aw4m3).
